This Saturday, June 22nd, Be sure to wear **green** for Divisionals. Be sure to bring a **Green Treat** to share with your Killer Whale friends. Yum Yum!

COACHES CORNER

Great show at the meet against Windsong! I am proud of our team's performance and the great effort put in all the swims. In reviewing the meet results I noticed that the Killer Whales placed first, second or third in almost EVERY individual event! That is amazing Good job Killer Whales.

Only one meet to go! Can you believe how fast this season has passed? I hope everyone has learned, improved and had a lot of fun this year. We need to work hard this week to ensure our place at divisionals. We can still improve our times for the last meet. In fact, you can still qualify for invitationals at divisionals. SO, EVERYONE COME TO PRACTICE READY TO LISTEN AND LEARN AND IMPROVE!

Also, you need to keep track of results postings and let me know IMMEDIATELY if there is a discrepancy in your time placement. Coach Tiffany and I will time as many of our swimmers as possible and try to keep track of your placement so that if there are any errors we can protest. But, I cannot be at the postings all day checking this. Let me know if there are any problems. (Sometimes for example a time gets entered wrong or p

Get Mean and Green with the Killer Whales

Turn all the other teams **GREEN** with envy when they see our Killer Whale spirit at Divisionals. We'll have lots of green stuff for your entertainment including green hair spray. Also, join all of the Killer Whale parents on **Friday, June 21st at 6:30 pm** in the club parking lot to **decorate our cars** for the assault on Divisionals. Bring your window markers and creativity so we can show our team spirit!!!

There seemed to be some confusion on the swim caps at the Windsong meet. We can avoid this by all wearing the Giammalva caps. Get one today!!!

Division 10 Meet

When: Saturday, June 22nd
Where: Klein Forest High School (see map)
Check in: 6:45 am sharp
Warm up: 7:00 in lane 7

Please be on time and check in with the clerk of course.

We need to know if you will not be at the meet or if you will be late. Call Julie Baker's cell phone at **281-882-8498** if you have a last minute schedule change or illness.

TIPS FROM COACH SHERRI

Swimmers, at Divisionals, it is very important that you stay in the team area. This point cannot be stressed enough. The team area is in the upstairs gym at Klein Forest. This means air conditioning. Since there will be a lot of swimmers in the area, we will not be able to go and find you when its your turn to report to the ready bench. Once you are called to the ready bench, go there and don't leave. If you are not at the ready bench By the 6th bench in, you will be scratched. Please don't let this happen to you!!!!
